

## Illustration

Manufacturers are increasingly looking to documentation specialists for their technical publication requirements whether this be in the form of safety literature, product manuals (installation, user and maintenance) or parts catalogues.

Whether you require personnel to work on-site or a documentation project to be managed from one of our offices, The Translation People has the expertise and resources to produce high quality technical documentation and illustrations for a wide variety of sectors, including the automotive, aerospace, oil and gas and rolling stock industries.

We have many years experience of working within a wide range of industry sectors and have acquired a sound knowledge of Civil and Military specifications, including ATA2100 and AECMA1000D.

- Our portfolio of services includes:**
- translation • interpreting • multilingual DTP •
  - website localisation • software localisation •
  - technical authoring • technical illustration •
  - subtitling & voiceovers • MTPE •

Our Technical Authors, who have produced technical literature for many of the UK's leading companies and cover a wide variety of technical subjects, have the ability to work in the different software packages used within the industry.

In addition, our team of illustrators is highly experienced in producing illustrations from various sources including photographs, sketches, engineering drawings, and 3D electronic files, in packages such as:

- IsoDraw
- Form Z
- Photoshop
- Illustrator
- AutoCad
- Pro-Engineer
